

REMARKS

Applicant respectfully requests reconsideration and allowance of the subject application in view of the following remarks.

SUMMARY OF THE INTERVIEWS

Applicant wishes to thank Examiner Paul Nguyen Ba for conducting telephonic interviews with Applicant's attorney, Michael Colby, on November 13th and 21st, 2006.

During the interviews, Applicant's attorney and Examiner Nguyen Ba discussed the subject matter of withdrawn independent claim 106. Applicant proposed, without conceding the propriety of the rejections, amendments to the non-withdrawn independent claims to include some of the subject matter recited in withdrawn independent claim 106. The Examiner agreed that the proposed amendments, in principle, overcome the outstanding rejections. The Examiner noted that he would likely need to perform another search.

The Examiner also agreed to withdraw the Office's restriction requirement of—and examine—currently withdrawn claims 106-116. In the interest of expediting allowance of the application, and without conceding the propriety of the rejections, Applicant amends the independent claims as discussed during the interview.

§103 REJECTIONS

Claims 1-13, 41-50, 82-92, 99-101, and 103 stand rejected under 35 U.S.C. §103(a) as being unpatentable over the publication "Using Corel WordPerfect 9" by Laura Acklen and Read Gilgen (Acklen) in view of "Webopedia Computer Dictionary", pgs. 1-7, last modified either May 16th, 1998, September 18th, 1997, or September 1st, 1996 (Webopedia).

In the interest of expediting allowance of the application, and without conceding the propriety of the rejections, Applicant herein amends the independent claims as discussed during the interview. The Office, through Examiner Nguyen Ba, agreed in principle that the claims as amended are sufficient to overcome the outstanding rejections.

CONCLUSION

For at least the foregoing reasons, the pending claims are in condition for allowance. Applicant respectfully requests reconsideration and withdrawal of the rejections.

If there are any issues that would prevent allowance of this case, **the Examiner is requested to contact the undersigned attorney to resolve them.**

Respectfully Submitted,

Date: 30 NOV 06
